You love cats? You are here.
So what is this page?
Hello!
My name is Algis and I am the owner of cats.com – I purchased this with idea of creating amazing website for cat lovers and everything related. Wish I had more time for this though! 😷
There is expected to be more then 600,000,000 cats worldwide. With 74,000,000+ in United States.
Cats are the favorite pet in the world! And there is many things related to cats that can be done on the internet.
